

## Annecy Weekly News Inspiring Hearts and Minds

**Friday 24<sup>th</sup> March 2023**

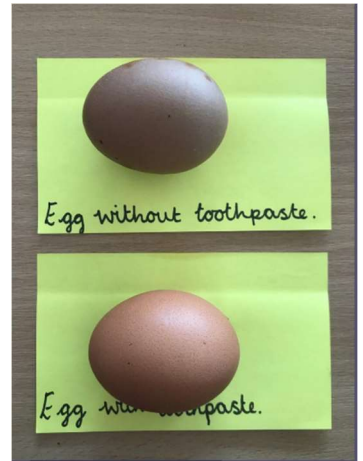

Dear Parents and Carers,

We hope you have had as good a week as our children have. Some of the classes have been working hard on assessments this week and as always, have tried their absolute best. It is such a privilege to walk around and see the children so engaged and immersed in their learning. This week I have seen children planting beans, brilliant division, exciting iron men, child led worship, incredible singing and so much more. Next week we will be celebrating 'Spirituality Week' in our run up to Easter. This will include lots of fun and crafts which I know the children will enjoy. The theme will be 'Love thy neighbour' linking to our school ethos of global citizenship. After some consultation, we will be changing our newsletter back to Fridays weekly. We will also be moving to a web version after Easter which should be easier to access on smart phones and tablets.

### **British Science Week**

We have had a wonderful two weeks celebrating British Science. The children have loved all of the practical activities that have run alongside our already hands-on curriculum. There has been some amazing conversations around what kind of fingerprint patterns we all have. The children loved improving their technique to print the perfect one.

### **Seaford Choir Concert**

Good luck to our wonderful singers who are taking part in a Seaford School's Concert next Wednesday. We cannot wait to hear how brilliant it was. We have a recording of our amazing choir on Class Dojo.

### **Faith In Action**

Children continue to walk for 'The Big Lent Walk'. It is lovely to see classes meet and do this collaboratively making new friends across key stages.

### **Gospel Reflection**

This week we have heard how Jesus helped a blind man to see again. God has given us the gift of sight to see all the wonderful things that he has made in our world. But we also need to open our eyes to things that are wrong and try to do what we can to change them.

We can see that it is not fair for some people in the world to have lots of money, power and things while others of us are poor or hungry or do not have a safe place to live. We can see that we are damaging our planet and that the climate is changing. Floods, droughts and natural disasters are happening more often and affecting more people around the world.

Look out for all the good things that you can see in the world this week. If you see anything that is wrong or unfair, think about what you could do to help to change it.

God Bless  
Mrs Johnson & Mrs Pratt

## What's happening this week

### Spirituality Week

Monday 27 <sup>th</sup> March	Tuesday 28 <sup>th</sup> March	Wednesday 29 <sup>th</sup> March	Thursday 30 <sup>th</sup> March	Friday 31 <sup>st</sup> March
