

Anney Weekly News Inspiring Hearts and Minds

Week ending 29/04/2022

Dear Parents and Carers,

It is the summer term! The sun is in and out but we can see signs of summer getting near us everywhere we look. It is fantastic to see so many already looking smart in their summer uniforms.

What a start to the term we have had, it's hard to believe we have only been back two weeks as we have already covered so much!

Lots of classes have been out to the Forest Schools area and demonstrated how brave they are! Mrs Irvine was particularly in awe of the Early Years children and how confidently they climbed the tree. In Year 1 they have used forest schools time to learn about Making pollen. Our children also have lots to celebrate outside of school.

Cross Country Finals - A huge well done to all the children who took part in the cross country finals, there were just under 120 children who took part from a number of schools in the area and we are delighted to announce that two children from Anney were in the top 30, Sunshine and Katie. Katie came 1st place and has qualified for the Sussex School Games Finals which were on 3rd March in Brighton. Katie went on to come 2nd the final. Sunshine also competed and ran a very good race. We're so proud of them both!

Year 6 Rotary Club's Young Writer of the Year - The theme this year was the environment.

Last night, Callie was awarded third place out of all the competitors from all primary schools in Seaford: an amazing achievement! Elise and Harriet also entered, and all children were praised for the high standard of their writing.

We are really proud of our high expectations – please ensure your child is wearing full school uniform and shoes not trainers. Leavers' hoodies are not part of the school uniform so can be worn on the way to school but must not be worn during the school day. From next week Tuesday 3rd May, All children need to wear full uniform every day and change into PE kit for their lessons in school.

We have collected an ENORMOUS amount of unnamed lost property recently. Our lost property box will be displayed outside the reception area for the next two weeks. Please come along and claim your children's items. Anything unclaimed by 13th May will be given to charity.

In this Sunday's gospel we hear about how Jesus appeared to the disciples while they were fishing, helped them to catch more fish and ate with them on the beach afterwards. How do you feel when you see someone you haven't seen for ages? Perhaps you have friends or members of your family who live a long way away. What do you do and say when you see them? Sitting together with others to eat is a great way to get to know or catch up with people and can be lots of fun. Can you think of a time when you have sat with others to eat a meal? All around the world people come together to eat and share food with each other. But there are also lots of people who do not have enough food to eat. Do you think that is fair?

Even though there is enough food in the world for everyone to have what they need, it is not shared fairly. So this week, as we sit together and eat with others, let's think about all the other people around the world who are doing the same thing. Think what you can do to support others, can you donate something to a local foodbank or say a prayer asking for the world to be fairer for all.

Have a great long weekend -Mrs Johnson and Mrs Irvine
