

# Anecy Weekly News Inspiring Hearts and Minds

Week ending 6/5/2022

Dear Parents and Carers,

How is it Friday already, time seems to be moving even quicker this term than in the previous ones.

It is an absolute joy to see the sun shining. The Year 6 helpers in assembly asked today to play a specific song to start assembly, when I asked why, their response was "It will bring joy to our whole school.!" I couldn't think of a better reason for choosing a song for celebration assembly and at the end I can confirm joy had been brought to everyone. There has been a lot of joy in Anecy this week, including the joy of having Mr Gallagher back on a phased return. One particular activity that brings joy is reading. I read with a child from year 3 today and I think our giggles were heard by many, buddy reading has also brought joy to many year groups this week.

### Hedge Gardening Group

Our Gardening Group have done an amazing job this week, planting and watering. The weather has been perfect for giving the little plants an ideal start; rain overnight and daytime sunshine. We can't wait to see the garden developing. Please get in touch if you and your child/children would like to get involved.

We have collected an ENORMOUS amount of unnamed lost property recently. Our lost property box will be displayed outside the reception area for the next week. Please come along and claim your children's items. Anything unclaimed by 13th May will be given to charity.

We are particularly proud of Year 6 and how they have prepared themselves for SATs next week, we want them to do their very best because they deserve the recognition for their hard work but we also want them to remember they are only a snapshot measure of who they really are.

SATS don't measure sports  
SATS don't measure art  
SATS don't measure music  
Or the kindness in your heart

SATS don't see your magic  
How you make others smile  
SATS don't time how quickly  
You can run a mile

So sitting at your table  
With a pencil and your test  
Remember SATs are who you are  
Remember you're the best!

SATS don't see your beauty  
SATS don't know your worth  
SATS don't see the reasons  
You were put upon this earth

SATS don't hear your laughter  
Or see you've come this far  
SATS are just a tiny glimpse  
Of who you really are

In this Sunday's gospel we hear Jesus talk about how important it is to listen to him. And how he knows us and cares about each and every one of us, no matter who we are. We are all different from each other, but we are also very alike. We all need enough food and water to live. We all like to have fun with our friends. We are all part of the same global family and so we are all very special and important. Jesus loves and cares for us all. How does it make you feel to know that Jesus loves and cares for all of us, no matter who or where we are? What do you think this means for how we should treat each other? This week, let's try to listen to what Jesus is saying to us, and share the love that he has for us all with others.

Have a great weekend -Mrs Johnson and Mrs Irvine
