

Week ending 27/5/2022

Dear Parents and Carers,
It is hard to believe that we have reached the end of another half term.

There has been a real buzz of excitement in school about the children’s learning and they are proud of what they have achieved this half term.

Today, Callie proudly planted a tree at Paradise Park as part of the Queen’s Platinum jubilee. As the bank holidays to celebrate the jubilee are at the end of the half term, we decided to hold our celebration and dress in Red, White and Blue day on the first day back in June!

Thank you to all of you, who were able to attend our Tea and See sessions, following discussion at this I would like to get together a group of parents to review our current PE kit and explore if it can be improved in any way. If you would like to be part of this group please join me on Monday 20th June at 2pm. Please email the office to let us know you are attending.

We are so excited to be finalising event plans for after half term, full details will be sent to you nearer the time but read page 2 for an overview of key dates next term.

In this week’s Gospel we hear how Jesus prayed to God for all those people, like us, who would come to believe in him. We are all different. We all have differences. These are the things that make us special. They make me, me. And you, you. But even though we are different we have lots of things in common with each other. There is one very special thing which we all share. God loves us. We are all sisters and brothers, no matter who we are or where in the world we live. We are all part of one global family, loved by God. God wants that love to shine through us in the way that we treat each other. We are called to love one another and to live together in harmony. This doesn’t mean all being the same. It doesn’t mean we all have to agree about everything. But it does mean that we should always be kind and loving to one another, treating each other as we would wish to be treated. Even those people who live in different countries to us who we might never meet. We are united by God’s love for us.

Jesus prayed to God to help us to be loving to one another. This week, let us also pray to God to help us live in this way.

Have a great week -Annecy Leadership Team
